Western Australia's Leading Equine Nutrition Experts

Advanced Feeds Stud range has been specially formulated to meet the individual nutritional requirements of mares, foals and yearlings.

PREGNANT MARE SUPPLEMENT

- ✓ A supplement for mares in foal formulated for Western Australian conditions.
- ✓ Combines a range of vitamins, minerals and trace elements for optimum foal development.
- ✓ Feed through out the last 90 days of pregnancy. Last trimester particularly energy demanding; foal developments and bone mineralisation has the greatest drain on mares reserves.
- ✓ Cost effective supplement for addition into feed
